

CLEARWATER COLLEGE

EQUIPPING FOR LIFE AND MINISTRY

WHY DOES CLEARWATER COLLEGE EXIST?

Why does Clearwater College exist? It's simple really: We need Jesus. The mandate he left for his followers was to make disciples of all the nations (Matthew 28:18-20). Empowered by the Holy Spirit, that is what they did, and that is what we continue to do today by *Equipping for Life and Ministry*.

2021 marked 50 years of equipping for Clearwater College. This rich history highlights our focus on Christ, our close-knit community, and the beautiful creation we find ourselves in as we equip for life and ministry.

EQUIPPING FOR LIFE

In equipping students for life, we follow the Acts 2:42 model by seeking to devote ourselves to the apostles' teaching, the fellowship, the breaking of bread, and prayer. Students may or may not be academically strong, but degrees and certificates only matter if students are effectively equipped for a life empowered by the Spirit.

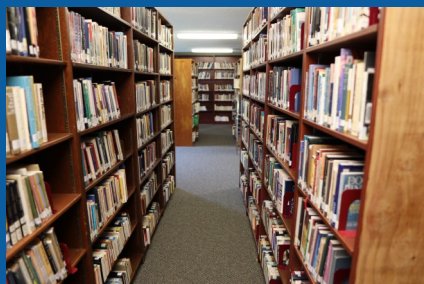

EQUIPPING FOR MINISTRY

In equipping for ministry, we focus on cultivating a lifestyle of worship in our ministry to the Lord, bringing in and raising up the Ephesians 4 offices of ministry in our ministry to the Church, and preparing labourers for the harvest to effectively minister to the world.

Jesus told us to make disciples. That's what we do. That's why we exist. Come, follow Him.
