

Education Program Plan Checklist

In Compliance with Alberta Regulation 145/2006

Check ✓ if your Education Program Plan includes:

- The outcomes (parent and/or family goals) to be achieved
[eg: learn to read, or identify bird species, or]
- Reference to the *Schedule of Learning Outcomes*
[eg: (a) *read for information, understanding & enjoyment*]
- Instructional methods you will use
[eg: reading games, or direct instruction, or....]
- Resources you plan on using
[eg: encyclopedia, or library, or name of specific curriculum or websites, or....]
- Methods & timing of evaluation you intend to use
[eg: parent observation, or portfolio (including digital), or journal, or unit tests, or projects, or....]
[eg: daily, monthly, annually, or....]
- Reason the evaluation will be effective
[Eg: Evaluation is individually tailored to the student.]
- The name of the person instructing the home education program, if not the parent. [Note: This last box is applicable only if the parents are not the main instructors.]

If all of the above are present in your plan, send it to your Facilitator for approval.
